

## Materials

The materials listed below cover everything you might need to run all 30 practical sessions provided with the *Ways into Art* resources, for a group of 6-8 participants. That's a lot of art making! It's likely you will have the basics already, so it's fine to start with a few extras from the core materials list.

Core materials: everything you need to get started and run a wide range of sessions!

Item	Advice
Table cloth	Reusable, wipe clean tablecloth to save on clean up time.
Aprons	Good quality, thick fabric aprons. Check Ikea (average £6-£8).
Gloves	Ideally reusable, such as gardening gloves. Check pound shops (Spring).
Paper towels	Most organisations have these. Can substitute for kitchen roll.
Sponges	Ordinary washing up sponges with a scouring side for scrubbing palettes.
Washing up liquid	It can be difficult to get paint off of a surface without washing up liquid.
Blue tac	Great for sticking people's creations up at the end!
Marker pen	Good for labelling materials, things people have made. Won't rub off.

These suppliers are given as a suggestion, to save you time and to enable everything to be bought online but if you are able to visit other stores on the **Suppliers List** you may be able to get what you're looking for sooner or cheaper. Remember, these are *your* sessions; start small, use materials you're comfortable with, experiment with things that aren't on the list and have fun with it!
